

**Professor Antoine-Michael Siouffi**  
**Joint Winner of the 2004 Chromatographic Society Jubilee Medal**

Siouffi, Antoine-Michel, Born in Marseille (France) 18/04/1940 Married to Renee Berthelin with two children.

Graduated from the School of Chemical Engineering (Marseille 1961).  
Doctorat es Sciences 1968 (Gas and Liquid Chromatography of Lipids).  
Post docotoral internship with Prof. G. Guichon at the Ecole Polytechnique (1974 -1975)

Assistant Professor 1961 - 1981  
Professor 1981  
Vice President of the University (1992 - 1997)  
Director of the School of Engineering Chemistry (2000-2003)  
Publications; 90  
Communications; 70  
Chapters in books; 11  
Invited lectures in Symposia; 19

Visiting Professor at San Jose University (CA) 1995  
Currently Member of the following editorial boards; Journal of Chromatography A,  
Chromatographia, Journal of Planar Chromatography, Journal of Chromatographic Science, Analysis  
(1994 - 2000).

Recipient of Tswett Medal (1992) and Halasz Medal (1998)

Chairman of the 22nd International Symposium on Chromatography (1992), Aix en  
Provence, France

Chairman fo the 20th IICS Symposium (2000), Nice, France

Chairman of HPLC 2004 Symposium

Research Interests include; liquid chromatography, thin layer chromatography, theory, stationary  
phases, retention mechanisms, food and pharmaceutical analysis.
