

Hichrom HPLC Training Workshops 2010

Date	Course	Location	Trainer	Cost
Tuesday 9 th March	Big Molecules – Big Challenges	Reading	Tosoh Biosciences	£95
Thursday 11 th March	Big Molecules – Big Challenges	Manchester	Tosoh Biosciences	£95
Tuesday 23 rd March	Stepwise Introduction to HPLC (Part 1)	Loughborough	Mel Euerby	£95*
Monday 19 th April	HPLC Troubleshooting	Manchester	John Dolan	£195
Tuesday 20 th April	HPLC Method Development	Manchester	John Dolan	£195
Wednesday 21 st April	Introduction to LC-MS	Manchester	John Dolan	£195
Thursday 22 nd April	HPLC Method Transfer for the Pharmaceutical Analyst	Manchester	John Dolan	£195
Monday 17 th May	An Introduction to HPLC	Hoddesdon (Herts)	John Dolan	£195
Tuesday 18 th May	HPLC Method Development	Hoddesdon (Herts)	John Dolan	£195
Tuesday 8 th June	Stepwise Introduction to HPLC (Part 2)	Loughborough	Mel Euerby	£95/£45*
Tuesday 28 th September	Stepwise Introduction to HPLC (Part 1)	Reading	Mel Euerby	£95*
Monday 11 th October	HPLC Troubleshooting	Reading	John Dolan	£195
Tue/Wed 12 th -13 th October	Advanced Method Development (2 days)	Reading	John Dolan	£495
Thursday 14 th October	Validating HPLC Methods	Reading	John Dolan	£195
Tuesday 9 th November	Stepwise Introduction to HPLC (Part 2)	Reading	Mel Euerby	£95/£45*
Tuesday 16 th November	HILIC Day	Reading	Merck SeQuant	£95
Thursday 18 th November	HILIC Day	Manchester	Merck SeQuant	£95

* If you book part 1 of the Stepwise Introduction to HPLC you can book part 2 for only £45 if booked at the same time. All course fees are exclusive of VAT and must be paid prior to commencement of the course dates. Course costs include lunch, all refreshments and a comprehensive course manual. Discounts may be available for multiple bookings - please enquire.

SPECIAL OFFER 1 – ‘Early Bird’ Booking Discount

Book on any of the above courses before 28th February 2010 and receive a 10% ‘early bird’ booking discount.

SPECIAL OFFER 2 – FREE John Dolan LC Troubleshooting Bible

All delegates attending any Hichrom run UK John Dolan course will receive a **FREE** copy of John Dolan’s CD-ROM “**LC Troubleshooting Bible**,” an invaluable resource guide for all laboratories (please note this offer does not apply to courses sponsored by Hichrom).

IBMS and Chromatographic Society Members: IBMS and ChromSoc members receive a **10% discount** on the above costs provided a valid membership number is quoted at the time of booking. All our listed HPLC courses are IBMS CPD accredited and IBMS CPD certificates will be issued to delegates following courses if requested.

Your Guarantee: We are confident that the techniques you will hear about on these courses will provide you with many ideas for improving efficiency in the laboratory – in fact we guarantee it! If after six months you have not been able to recover the registration fees by applying what you have learnt from the course we will happily **refund your money**.

**To book, or for further information on any of our 2010 HPLC Workshops, simply complete & return the enclosed booking form or contact us on:-

John Dolan HPLC Masterclasses 2010

In addition to the previous workshops, Hichrom are also pleased to be the 2010 UK Sponsor for the Separation Science John Dolan Masterclasses. A brief summary of these courses is shown below.

Date	Course	Location	Trainer
12 th & 13 th April	Advanced Method Development (2 days)	London	John Dolan
14 th April	HPLC Troubleshooting	London	John Dolan
15 th & 16 th April	LC-MS for Chromatographers (2 days)	London	John Dolan
4 th & 5 th October	LC-MS/MS for Chromatographers	London	John Dolan

For further details on any of these courses or to book, please contact Separation Sciences directly at <http://www.sepscience.com> or +44 208 398 0209

Meet Hichrom in 2010

Meet Hichrom at the following Chromatographic Society events in 2010. Visit our booth and our technical staff will be pleased to offer you free technical support and advice on a wide range of subjects from column selection and method development to troubleshooting and cost saving strategies.

18 th March	Advances in High Resolution and High Speed Chromatography, AstraZeneca, Alderley Park, Cheshire
19 th -20 th May	Current Method Development Strategies in Separation Science, Merck Sharpe and Dohm, Hoddesdon, Herts

For further information on either of the above events, or for further information on the Chromatographic Society visit www.chromsoc.com
